ABOUT US

Established in 2000

Infix is a progressive and dynamic production company founded in the year 2000. As member of the Al Rugaib Group, Infix is geared to becoming one of the most trusted and reliable outdoor / indoor decoration company.

Infix is equipped with the latest machinery and advanced technologies, to provide the best services and the level of prices suitable high efficiency and according to schedule.

PIONEER THE FUTURE

Continuously adapting to innovation while always keeping in mind the stringent value of experience and technical knowledge.

MISSION

Our mission is to deliver superior quality fabrication and installation services that exceed client expectations through precision engineering and craftsmanship. We are dedicated to integrating traditional woodworking techniques with modern steel and aluminum technologies to create functional, safe, and aesthetically striking environments. We commit to timely delivery, safety, and sustainable practices in every project we undertake.

VISION

To be the region's premier integrated fabrication partner, recognized for transforming raw steel, aluminum, and wood into enduring architectural masterpieces. At INFIX , we envision a future where structural integrity meets artistic innovation, setting new benchmarks in the construction and interior design sectors by delivering solutions that are as durable as they are beautiful.

A close-up photograph of a hand in a dark suit sleeve placing a light-colored wooden block on top of three other identical blocks that are already standing upright on a wooden surface. The background is blurred, showing a person in a dark suit.

VALUES

At INFIX, we are driven by a set of core values that define who we are: Quality, Integrity, Innovation, Safety, and Customer Commitment. We believe in honest work, precision craftsmanship, and building lasting relationships with our clients. Every project we undertake reflects our dedication to excellence — from the materials we select to the final installation — ensuring that our work not only meets expectations but exceeds them.

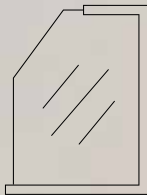

SERVICES

INFIX offers a comprehensive suite of fabrication services tailored to meet the diverse needs of commercial and residential projects. Our expertise spans three core divisions:

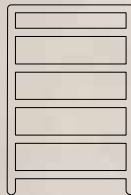

Steel & Aluminum Works: We specialize in the design and fabrication of decorative metalwork and structural frameworks. From intricate metal screens and facades to heavy-duty structural steel and aluminum cladding, we ensure strength and elegance in every weld and joint.

Wood Decoration & Furniture: Our craftsmen bring warmth and character to spaces through bespoke woodwork. We manufacture custom furniture, wall paneling, doors, and cabinetry.

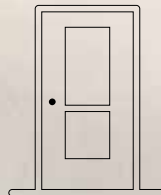

Indoor & Outdoor Signage: We provide end-to-end signage solutions, including 3D lettering, lightboxes, and structural signage. Using durable materials like stainless steel, aluminum, and treated wood, we create high-impact visual identities that withstand the elements and effectively communicate your brand's message.

CLIENTS

At INFIX , we pride ourselves on building long-term relationships with a diverse portfolio of clients. We serve general contractors, real estate developers, interior design firms, and business owners who value precision and quality. Whether partnering with a luxury retail brand for a custom storefront or collaborating with an architectural firm on structural elements, we treat every client as a partner in the creative process, ensuring their specific requirements are met with exacting standards.

PROJECTS

METAL WORKS

INFIX is a premier provider of comprehensive steel solutions, specializing in the design, fabrication, and installation of structural steel sections, architectural metalwork, and bespoke furniture.

By leveraging the strength and versatility of high-quality steel sections, we deliver exceptional results across three core disciplines:

1. Robust steel construction for residential and commercial frameworks.
2. Intricate decorative metalwork that adds a modern edge to any space,
3. Custom-made furniture that blends industrial durability with refined aesthetics.

A photograph of a McDonald's food truck. The truck's exterior is clad in horizontal aluminum slats, giving it a modern, textured appearance. Mounted on the side is a large, white, three-dimensional sign in Arabic script that reads 'ماكدونالدز' (McDonald's). The truck is parked outdoors under a clear blue sky. The perspective is from a low angle, looking up at the side of the truck.
